

Natural Landscape Stone

Decorative Stone and Aggregates

Natural Landscape Stone *Decorative Stone and Aggregates*

Add natural character to any landscape project

Natural landscape stone blends beautifully with its surroundings, adding earthy character and visual interest. Stone complements brick, concrete masonry and stone veneers, and it can be used in a variety of ways for functional applications or landscaping accents. Sizes range from small 3/4 inch aggregates up to grand 6 to 8 foot boulders that make a unique statement.

- Water Features
- Waterfalls
- Garden Borders
- Landscape Accents
- Flower Bed Borders
- Terraces
- Garden Walls
- Shoreline Protection
- Fireplaces
- Signage
